TERMS: Cash or COD, unless credit has already been established. Prices include packing, transportation charges extra. Foreign shipments CASH WITH ORDER. Most foreign shipments must go by parcel post and cannot be sent C.O.D. Therefore, we will send fewer plants unless extra amount is received to cover postage.

GUARANTEE: All plants are carefully packed and should reach customer in good condition. Our responsibility ceases upon delivery to transportation company and any claims for damage caused by mishandling, delay, freezing or heating, must be taken up direct with the transportation company.

If possible, please give a few alternate plants that we may substitute in event we are out of plants ordered. This may allow us to get your order off more promptly.

All stock is offered subject to prior sale.

Our plants are quality plants and are not to be confused with those offered at cheaper prices. You get what you pay for.
